

GREAT VALUE GARDEN HOSE
SOLUTIONS MADE IN BRITAIN

QUALITY GARDEN HOSES, MADE IN BRITAIN

Who We Are

Copely have been supplying the UK market with a range of hose, tube and profiles for over 50 years. Our British made garden hoses have become increasingly popular with householders, gardeners, and DIY enthusiasts over the years.

Eden Garden Care is a range of hoses and accessories aimed at both professional and domestic gardening applications.

Eden Compact The Space Saver

For a space-saving alternative, Eden Compact is a popular choice for smaller gardens. With its flat hose design, it's able to be rolled up quickly and stored in small spaces.

Also supplied with optional quick-release fittings and cassette wheel.

Option 1

Option 2

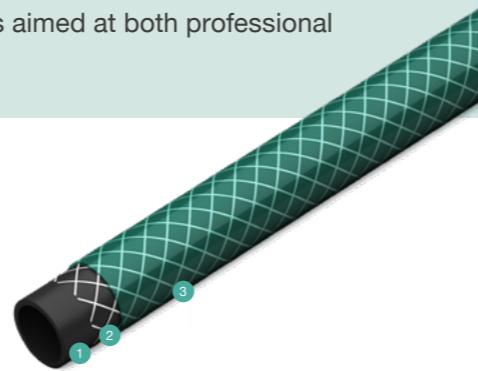

Eden Hose Accessories

The range includes accessories including spray guns and connectors. These complement the Eden Garden Care range but are also compatible with all standard watering equipment.

Eden Green Garden Hose For the Weekly Waterer

Eden Green is the ideal medium-duty, general purpose garden hose for all domestic needs. Renowned for its flexibility, performance and reliability, it is suitable for all routine and general watering applications.

1. DEHP free PVC inner
2. Polyester fiber reinforcement
3. DEHP free PVC outer

Eden Yellow Garden Hose For the Avid Gardener

Eden Yellow's anti-kink performance and tough outer layer make it the most cost-effective and quality choice for the more frequent watering applications.

Eden Topaz Garden Hose For the Professional Gardener

Eden Topaz is the heaviest duty hose in the range, and is ideal for the more serious gardener to care for their plots and landscapes. The distinctive colour makes it a desirable choice on the shelf and adds a splash of colour to gardens

Eden Green, Yellow and Topaz Garden hoses are available in 10m, 30m and 50m

Freestanding Display Unit

Alongside our Eden Garden Care range, we're also able to offer a FSDU which is able to hold the full range of products. This display unit is available either single or double sided, with adjustable fittings for a number of configurations.

To promote the Eden Garden Care range in store, we're offering display units free of charge with all initial stock orders.

Alternative double sided FSDU

Why Made in Britain?

All of our products are made and manufactured right here in Britain. Not only are we able to guarantee quality products, but we're also able to have a closer relationship with our customers, enabling us to provide stock and bespoke options within short lead times, whilst also providing full customer support and technical advice.
